CITY OF GRAND COULEE

Notice of Intent Not to Bid – Contract for Law Enforcement Services RFP #EC-PD-2026-01

Dear Mayor Martin,

Thank you for providing the City of Grand Coulee with the opportunity to submit a proposal for the Electric City Contract for Law Enforcement Services Reference Number EC-PD-2026-01.

After a thorough review of the request for proposal and our current police department structure, we have decided not to submit a proposal currently. The Grand Coulee Police Department has a small staff, and a shorter-term contract would require hiring and more importantly the possibility of laying off a newly hired employee. Although a short-term contract would not work well for our current department, we appreciate you reaching out to us. We respectfully request that you keep Grand Coulee on your active bidder list for any future law enforcement contracts.

Thank you again for your time, consideration, and inclusion in this process. We wish the City of Electric City success in fulfilling its law enforcement needs.

Sincerely,

Chief Matthew Ponusky

Mayor Ruth Dalton
